

CLIFFORD FIRST OUT.

Diablo Sent Two Miles and Copy-right 1 1-4 Miles.

Philip J. Dwyer's Leonawell Goes a Mile in 1.42.

Handicap Candidates Getting Their Final Gallops.

GRAVESEND, L. I., May 11.—The morning was raw and cold here to-day and very few of the Handicap horses were out until a late hour. The track was rolled last night and was in good condition.

Clifford was the first of the cracks to appear. He worked half a mile in 32 seconds and was then taken off the track. He had previously worked two miles. This horse is fit and does not need strong work.

Frederick brought Mr. Rice over from Sheephead Bay to exhibit him. The colt cantered a couple of miles and then breezed three furlongs in 0.37.

He was then taken back to the Bay. John Campbell's Diablo, hard as nails, and fit to run for a man's life, worked two miles in 3.13.4.

The fractional time was 0.14 1-2, 0.28 3-4, 0.41, 0.57, 1.11, 1.23 3-4, 1.47, 2.05, 2.18 1-2, 2.32, 2.48, 3.00, 3.12 3-4. He pulled up strong and fresh.

Copyright went a mile and a quarter as follows: 0.12 3-4, 0.25, 0.38 1-2, 0.52, 1.04 3-4, 1.17 1-2, 1.31, 1.44 3-4, 2.00, 2.11 1-2. The horse finished tired, and will not do in the Handicap.

Don Alonzo and Hanquet went a mile in 1.46 3-4. The fractional time was as follows: 0.13 1-2, 0.26 1-2, 0.40, 0.53 3-4, 1.06, 1.19 1-4, 1.32 1-2, 1.45 3-4.

Leonawell, with about 100 pounds up, went the fastest mile of the season, in 1.42. This is pretty good work for a horse with a bad leg.

Ajax was out and after breezing three-quarters in 1.18, went back to his stable. Comanche worked at Sheephead Bay a mile and a quarter in 2.12, the last mile and a furlong being timed in 1.09.

Madstone and Wernberg worked part of the distance with Comanche. Mary Stone and Ben Leonard went a mile in 1.46.

Integrity covered seven furlongs in 1.33. O'Connell, the great sprinter, did strong gallops.

Leigh, a two-year-old in Warner's string, speeded three-eighths in 0.49. Captain T. and Hiram, of Daly's string, went six furlongs in 1.20 1-2.

Count and Circular covered a mile in 1.48 3-4. Sleight-of-hand, with Littlefield up, worked six furlongs in 1.18 1-2, and then nearly bolted over the fence.

Stonewall went six furlongs in 1.17, and Kingston the same distance. Armitage travelled a mile in 1.46 1-4.

Over at Sheephead Neck, and Pri of the Morris string, covered a mile and a furlong in 1.48.

Kinglet went a mile in 1.45 1-2.

CLIFFORD GOES TO MORROW.

Will Work the Full Handicap Distance at Racing Speed.

Kelly, the trainer of Clifford, has received a telegram from Eugene Leigh to have the horse ready to-morrow morning for his final trial for the Brooklyn Handicap.

Leigh will be on from the West to-night or to-morrow morning to see the horse work. Clifford will go the full Handicap distance and at racing speed.

GIANTS GOING SMOOTHLY.

With Fair Luck It Ought to Be Three Straight, Sure.

"Tottie" Murphy Goes to the Yonkers Department for Shoes.

It is impossible to see too beautiful, and yet nothing serious seems to stand in the way of the New Yorks making it three straight with the Senators.

An excellent start has been made, and nobody now looks for a "dip." Yesterday's victory was easily enough secured, but the mistake should never be made of letting up on your adversaries just because you are so far ahead. Rustie got a bit careless, filled his bases with save-looking Senators, and only a combination of good luck and fine rolling by Davis and Ward saved a waste luncheon of some from being heaped up by the Washingtons. Stuck in the same boys, until the "star" fails. That is the time and the only time to let up.

The little difficulty in the first inning yesterday between Eugene Hart and Capt. Dwyer of the Washingtons, was reported correctly in "The Evening World." Baseball Extra last night. The boys played between them.

"Tottie" Murphy is not these days. The little fellow is just a bit lumpy on his lack of stature and his youthful appearance. And this is why Murphy is not. He is a little fellow, and Murphy is not. He is a little fellow, and Murphy is not.

From San Francisco comes the news that Monte Brantley is to bring twenty-eight trotters to the Little Farm, two miles from Lexington, Ky., and will establish a breeding farm. Mr. Brantley has twenty-eight trotters, the dam of Lazarus and Handicap.

Some bookmakers mean to "kick" about the rule forbidding one to bet on his own horse. They say it would be all right if the one, two, three system was abolished entirely. But what publication does it for maintaining the game for wagers? The Association takes the one, two, three system for itself, and they cannot object.

DRUNK ON THE STREET.

Mrs. Emrich Arrested and Separated from Her Grandchild.

Mrs. Clara Emrich, forty-eight years old, the wife of a well-to-do contractor of Fordham Heights, with her granddaughter, bearing the same name, aged two years, kissed each other fondly as they were united by Agent Barkley, of the Gerry Society, in Yorkville Court this morning. The grandmother, with the babe in her arms, was found drunk at 10 o'clock last night at Second avenue and Forty-fourth street by Policeman Dolan, of the East Fifty-first street station. As Mrs. Emrich was unable to give an account of herself, she was detained at the station-house for the night on a charge of intoxication, while the child was taken to the Gerry Society's rooms.

This morning, when Mrs. Emrich was taken to court by the policeman, she was grieving for her absent grandchild. Soon after her arrival in court Agent Barkley appeared with the child, to the great joy of the prisoner. Mrs. Emrich told Justice Voorhis that she had come to the city to do some shopping, and paid a visit to her sister, where she drank a little beer. She was discharged and hurried out of the court-room with her grandchild.
